

President's Report

The President's Report for the month of November will be abbreviated to allow ample time for the Founders Day Ceremony and Friendship Month celebration. In addition to the Founders Day/ Friendship celebration, chapter members will arrive 10 minutes early for the Central Area Christmas Greeting. This report will highlight some of the activities I have participated in since our last meeting.

1. I represented the chapter at the Kansas City Missouri NAACP banquet. The event was held at the Sheraton Hotel.
2. Attended two candidates' debates sponsored by the NAACP.
3. Attended a workshop on Voter Protection sponsored by the NAACP.
4. Participated with the:
 - a. 3rd graders from Allen Village at the Sports Lab
National Day of Service Project - The Comfort Bears were donated for the 1st Founders Day – National Day of Service. Members from the chapter supported this endeavor by donating over 100 Comfort Bears for children encountering a traumatic situation. The Metro Police Station was the recipients of the lovely Comfort Bears. Special thanks to the wonderful ladies of GKC Links.
5. Attending Central Area/National Webinars and conference calls.
Informed members of local, National and Area news through the monthly newsletter.
6. Members are being reminded to complete their profile on the National Website. Persons needing help will be able to get assistance during the January chapter meeting.

Happy Founders Day and Friendship Month. As a reminder, members are asked to reach out to alumni members, chapter members, and friends to say hello or send a thinking of you card. This is a good way to let friends know you care. This is the season to stop and reflect on the many blessings you have received. HAPPY THANKGIVING!
